

Dear Ethel - Thank you so much for
the roses & little vase to remember "our
Bill" I do appreciate it so very much & it
is a joy to feel you wanted to do it
for him - I can't realize yet that my
boy has gone on - but, as in other cases
such as James' we just bow our
heads and submit to God's will -
I'm glad I'm not writing to you
as if he were only Mildred's brother
because I know you got to know
him - It certainly has been hard
for all of us - He looked so wonderful &
broke all our hearts - but we still
could talk about him & felt that
he & June were not far away. I
am alone again & will
gradually rise above it - with God's
help. Lots of love - Carine
